

YASMIN BOLAND'S *Free chart*

Hi and Thank you...

..for downloading this free chart.

Astrology is a wonderful gift from the heavens. Learning about where the planets were on the day you were born is the first step in understanding yourself via your horoscope.

Overleaf you will find a really straight-forward list of where all your planets are. It might look like a simple list but it's actually the starting point and gateway to your whole chart.

Understanding your own chart will give you a chance to know more about yourself than you probably ever thought possible! Yasmin and the Moonology team P.S. Now that we're connected, you'll also receive my Month Ahead stars, plus some exclusive offers and competitions. You can unsubscribe from receiving these at any time!

SO HERE IS A LIST OF YOUR PLANETS - THE GATEWAY TO YOUR ASTROLOGY CHART!

* Please note we use the oldest 'house' system, Whole Sign Houses. If you cast your chart elsewhere and get different planetary house placements, this will likely be because you're using a program which uses a different house system. As you go along your astrological journey, you can choose which system you prefer.
